

FIELD GEOLOGY IN THE ROCKY MOUNTAINS  
IOWA STATE UNIVERSITY (ISU) GEOLOGY FIELD STATION

**Checklist – ISU Field Camp 2023 Application and Associated Forms**

Complete and submit the **Application for Summer 2023 Field Camp** to the ISU Field Station Director by mail or email (priority deadline of March 3, 2023).

- ISU students will be given priority in the application selection process.
- Applications will be accepted based on enrollment capacity and student graduation schedule, successful completion of prerequisite classes, and information provided by references.

Read, sign, and submit the **Code of Conduct** form to the ISU Field Station Director by mail or email by **April 28, 2023**.

Read, sign, and submit the **Assumption of Risk, Release of Liability, and Hold Harmless Agreement** form to the ISU Field Station Director by mail or email by **April 28, 2023**.

Read, sign, and submit the **Experiential Course Participation Agreement Form** to the ISU Field Station Director by mail or email by **April 28, 2023**.

Complete and follow guidance of the **Personal Health Self-Assessment** form by **April 28, 2023**.

- Please **do not** submit this form to the ISU Field Station Director.
- The outcome of the self-assessment may require you to consult with a healthcare provider before field camp. Please complete a **Confidential Health History Form** and share it with your healthcare provider.
- If you are prompted to complete a **Health Care Provider Evaluation** form with a licensed health care professional, please submit a copy to the ISU Field Station Director by **April 28, 2023**. Please follow the instructions of the Personal Health Self-Assessment to determine if you should consult with a healthcare provider.

Complete and submit the **Acknowledgment of Personal Health Management** form to the ISU Field Station Director by mail or email by **April 28, 2023**.
